

Peter Kells

Peter is an industrial designer with 30 years' experience working with playgrounds and play equipment. He has designed numerous playgrounds and equipment for a diverse clientele ranging from manufacturers, park authorities, municipalities, schools and child care centres.

He has also been actively involved in the development of playground standards at the Canadian Standards Association as well as other international organizations. He is currently on the executive of the International Play Association (Canada) and the Canadian Association of Playground Practitioners. Peter currently resides in Ottawa and is president of Grace-Kells Consultant Inc.

Welcome Peter.
