

School Travel Planning

At Naismith

Helping families choose active & safe school travel

School Travel Planning

School Travel Planning Municipal Support

- Presented to Mississippi Mills Council on STP with key partners in attendance
- Municipality was asked to provide support for the process in the form of endorsement, a staff member, some local data and additional input along the way

Community Partners

- Many other interested partners came on board to work on this project

Baseline Data

- School Walkabout
- Family Surveys
- Classroom Hands up Survey
- Traffic Count

89 surveys completed
44.3 % of parents walked or biked to school
Only 20% of kids are walking

Promoting STP

Presented to

- **Parent Council** to explore ideas for parent participation in this process
- **Parents** at Parent BBQ
- **Bus Drivers** the survey results and seeking ideas to move forward
- **Partners** at community forum held Nov 20th and at meetings
- **Promoting on school Facebook page**

Next Phase: Action Planning

- We have drafted an Action Plan
- 3 Key objectives developed
- Move forward with plan as we are working on it!

Special Events

- I Walk day
October 10th 2013
- Poster Contest for
STP signs May 2,
2014
- Classroom
education
- Family BBQ Bike
Rodeo event

Identifying routes

- The School Transportation Board will provide mapped routes based on our specific local data
- The Town will look at these routes to identify possible areas of improvement

Thank You!
